

Reference Statement for Ruth Davies

To Whom It May Concern:

Ruth Davies completed a month-long work experience placement with the Creative Department at West Midland Safari Park during May 2018.

During her time at wmsp she made a good impression as an intelligent person with a genuine interest in the creative and graphic design industry. She was punctual, friendly and completed all the tasks she was given to a high standard.

Ruth also demonstrated good skills in graphic design using Adobe Photoshop, Illustrator and InDesign software. Some of her poster and banner layouts have since been printed and used at the safari park.

As the graphic design industry is constantly evolving, I would encourage her to keep studying different aspects of art & design to broaden her skills and practice new techniques.

Yours faithfully
